You can switch between 'My students' and 'All students' in the school.

Search students by name or filter using the different categories.

Based on your search, the result will appear in this table. To see more details, scroll right.

The screenshot displays the 'Students' management interface. On the left sidebar, navigation options include 'Students', 'Teachers', 'School Admins', 'Licenses', 'Statistics', 'Books', 'Flashcards', 'Songs and Karaoke', 'Help Center', and 'Log out'. The main area features a 'Students' header, a 'Total number of students in school' card with the value '198', and toggle buttons for 'My students' and 'All students'. Below the toggles is a search bar labeled 'Search for students' and several filter dropdowns: 'Class', 'Level', 'Special', 'Hidden Level', 'Teacher', 'Learning difficulty', and 'License status'. At the bottom, the interface shows 'All Students (198)' and action buttons: 'Print student codes', 'Export All', and 'Manage selected'.

Add/Extend License: Assign active licenses or extend already assigned ones to your students, which you can choose from your school's purchased license pool. Only those students who have an active license can access all books in the library app.

Remove License: If you would like to re-assign a license to another students, first remove it.

Assign Books: Choose the book you would like to assign to student(s). Once the students enter the app, they will receive a pop-up notification of the assignment, and the book will also appear in the "My Books" section

Assign Tests: Assign your student(s) the Lexile placement test, optionally with a deadline. In the dashboard you can see the score and the BOOKR level (1-9) to which your student(s) English proficiency corresponds.

Hide Levels: If you would like to hide certain levels from the students, select the levels from the list.

Unhide Levels: Unhide previously hidden levels.

Assign Student to Class: Create classes and assign students to them. This way, you can manage them by class.

The main content area is divided into several sections:

- Student code:** A white box containing the code `i1K2eBKWCj` and a purple `Re-generate code` button. A yellow arrow points from the text on the right to this code.
- Hidden levels (0):** A table with columns for Level and Actions. It includes a pagination bar showing 'Items per page: 10' and '0 of 0', and a purple `+ Add` button.
- Classes involved (1):** A section with a 'Classes' header and a single entry: `1.a` with a close icon and the text 'Classes'.
- License:** A table with columns for Status, Start date, and Expiry date. It features purple `Remove license` and `Extend license` buttons.

Your student's 10-digit **student code** will appear here. If you'd like to generate a new code, click 'Re-generate code'.

This unique code is **automatically generated** after creating a student account, however, without an active licenses they only have access to the free content of the Library.

Teacher's Dashboard Functions | Licenses

- Every user in the BOOKR Class system needs to have a **valid license** in order to use the app and/or Teacher's Dashboard.
- You can be a registered user and not have a license. In this case you are not able to access all the books in the Library even though you have an account.
If you are a teacher without a valid license, you do not have access to the Library app but can access the Teacher's Dashboard.
- It's important to remember the end date of the licence and renew it before it ends.
- Each license has a start and end date, starting from the date your school has requested.
- You as a teacher can add or remove student licenses any time.
- Teacher licenses are managed by the School Admin appointed by the school.

See a summary of licences that your school has purchased.

A license can be reassigned to another user as many times as a teacher wants within its expiry.

The screenshot displays the 'Licenses' section of the BOOKR CLASS Teacher's Dashboard. The user is Naomi Wang at Test School. The dashboard shows a total of 606 licenses in the school. Below this, a table provides a breakdown of licenses by start and end dates, and the number of licenses available. At the bottom, there are three summary cards: 'All users' (426), 'Active licenses' (116), and 'Licences starting in less than 7 days' (0). A search bar is located at the bottom of the dashboard.

By clicking on 'Manage book' you can open the profile page of the book or assign it to students.

The screenshot shows the BOOKR CLASS interface. On the left is a blue sidebar with the user's name 'Naomi Wang', 'Test School', and navigation options: Students, Teachers, School Admins, Licenses, Statistics, Books (highlighted), Flashcards, Songs and Karaoke, Help Center, and Log out. The version 'v1.7.0-beta.1' is at the bottom. The main content area is titled 'Books / Book details' and features a table with the following data:

Recommended age group	Level	Lexile level	Coins	Badge	Activity tip
6 - 10	1	200	2		Download PDF

Below the table is the book's cover for 'At the Market', which depicts a man and a woman in a market setting with various fruits hanging from a string. To the right of the cover, the book title 'At the market' is displayed, followed by the text: 'Tomatoes, strawberries, bananas: what else can you find at a market? Let's shop together!'. Further right, the publisher information is listed: 'Publisher: BOOKR Kids', 'Author: Sara E.', 'Illustrator: Fanni Sipos', 'Narrator: Caroline Boulton', and 'ISBN: 0000000000'. A yellow arrow points from the 'Download PDF' button to the explanatory text on the right.

Teacher's Dashboard | Flashcards

Find all the Flashcards in this section.

As with the books you can **search** by keywords and titles.

Click **'Download PDF'** and a printable version of the flashcards will load in a new window. Print the flashcards to use offline in class.

Click **'Manage Flashcard'** and assign them to students or visit the details page of the flashcard set.

The screenshot displays the 'Flashcards' section of the BOOKR CLASS interface. On the left is a sidebar with navigation options: Naomi Wang (Test School), Students, Teachers, School Admins, Licenses, Statistics, Books, Flashcards (highlighted), Songs and Karaoke, Help Center, and Log out. The main content area has a search bar labeled 'Search for flashcards', a 'Level' dropdown menu, and a table titled 'All Flashcards (100)'. The table has columns for checkboxes, flashcard images, titles, levels, coins, print material, and actions. The 'Print material' column contains 'Download PDF' links, and the 'Actions' column contains 'Manage flashcard' dropdown menus. A green arrow points to the search bar, another points to the 'Download PDF' link for 'All About Your Body', and a third points to the 'Manage flashcard' dropdown for 'Animals Around Us'.
