Teacher's Dashboard functions

Students

The screenshot shows the 'Students' section of the BOOKR CLASS dashboard. The sidebar on the left lists navigation options: Naomi Wang (with a settings gear), Students (selected), Licenses, Statistics, Books, Flashcards, Karaoke, My profile, and Log out. The main content area displays 'Total number of students in school 151' and two tabs: 'My students' and 'All students'. Below the tabs is a search bar and filter dropdowns for Class, Level, Teacher (Naomi Wang), and License status. A table titled 'All Students (151)' lists student details. A green arrow points from the 'All students' tab to the table. A green callout box points to the 'All students' tab with the text 'You can filter your students and all students in the school'. Another green callout box points to the search bar with the text 'Search the students' name or filter using these categories.' A third green callout box points to the 'Student code' column in the table with the text 'Based on your search, the result will appear in the chart, scroll right to see more details.'

- Every user in the BOOKR Class system needs to have a valid licence in order to use the app and/or Teacher's Dashboard.
- You can be a registered user and not have a licence. In this case you won't be able to access all the books in the library even though you have an account.
- That's why it's **very important** to be aware of when a student's licence is about to end.
- Each licence has a start and end date, starting from the date your school has requested.
- You as a teacher can add or remove student licenses any time.
- Teacher licences are managed by the School Admin appointed by the school.

See a summary of licences that your school has purchased.
